Projects

Web Design

DVKM Website

It is a website for Doon Valley Knitting Mills, Dehradun. Coding is done using Html, CSS, JQuery and Bootstrap. It has a login / sign in option along with a cart to store and purchase customer choices.

Python

Hangman Game

It is my very basic take on the classic game "Hangman". It is coded in the language Python. You have 8 chances to guess the randomly generated word which has vowels displayed as hints to the player.

Education

B.Sc. (H) Computer Science

2018 – Present

University of Delhi, Delhi.

CGPA - 7

High School

2015-2018

Brightlands School, Dehradun.

Percentage: 94
